Telex Communications, Inc.
Attn: Mr. Gayle Hamel
Mgr, Technical Services Dept.
9600 Aldrich Avenue South
Minneapolis, MN 55420

Dear Mr. Hamel:

Your letter of December 21, 1982 requested TSO-C58 Authorization for Telex P/N 63999-() Model 38T Hand held microphone. The Statement of Conformance and Data included with the above letter has been reviewed and found to be acceptable. You are authorized to identify Telex P/N 63999-() with "TSO-C58 Category B" marking.

The Telex Quality Control Manual, dated December 1, 1978, is adequate for production of these microphones at 1720 East 14th Street, Glencoe, Minnesota 55336.

The following data received with your letter will be retained by this office:

1. Telex Test Report 1285,
2. Telex drawings 63999 revision A, dated 5/6/82, and 63999-000 revision A, dated 12/20/82.

This letter also acknowledges minor changes resulting in P/N 63999-000. Telex is authorized to mark P/N 63999-000 with the TSO-C58 category B marking.

You are reminded of your responsibility under the requirements of FAR 21.3 regarding the reporting of any failure, malfunction or defect in any assembly manufactured under this authorization and your responsibility under the requirements of FAR 21.611 regarding design changes.

If any questions should arise pertaining to this authorization, contact Michael Dahl, telephone (312) 694-7379.

Sincerely,

W. F. Horn
Manager, Chicago Aircraft Certification
Office, ACE-115C
